## Suggerimenti per la ricerca di Enti ospitanti

*(l'elenco potrebbe essere aggiornato)*

### **Uso adeguato dei motori di ricerca:**

uno dei più potenti è Google. Per ottimizzare la ricerca si deve tenere conto di alcuni suggerimenti fondamentali:

1. utilizzare google del paese dove si desidera effettuare il tirocinio (es., per la Spagna [www.google.es](http://www.google.es) )

### **2. Rete Eures**

[ec.europa.eu/eures](http://ec.europa.eu/eures) > scegliere la lingua

Portale europeo della mobilità professionale, in cui è possibile trovare informazioni utili e ricevere il supporto di un consulente Eures a cui è possibile scrivere per consigli riguardo un tirocinio all'estero nel proprio ambito di formazione.

3. Chiedere informazioni eventualmente ai propri docenti nel caso potessero fornirvi un contatto più adeguato e darvi un aiuto nella ricerca dell'ente ospitante.

4. Utilizzare i contatti personali, se si è usufruito di una borsa Erasmus per studio.

5. E' possibile cercare imprese ed elaborare elenchi contattando le camere di commercio italiane in altri paesi. Es.

<http://www.italianchamber.nl/> (Olanda)

<http://www.italchamind.eu/EN/> (Gran Bretagna)

<http://www.itkam.org/IT/> (Germania)

etc.

6. Siti web che offrono lavoro estivo, ma che possono tornare utili per contattare le imprese e proporsi come tirocinanti:

<http://jobs.estudiant.be/Default.asp>

### **7. Offerte di tirocinio in tutta Europa:**
