

Erasmus+ for Traineeship

Suggerimenti per la ricerca di Enti ospitanti

1 Motori di ricerca:

uno dei più potenti è Google. Per ottimizzare la ricerca è opportuno impostarlo nella lingua del Paese dove si desidera effettuare il tirocinio (es., per la Spagna www.google.es)

2. Rete Eures

ec.europa.eu/eures > scegliere la lingua

Portale europeo della mobilità professionale, in cui è possibile trovare informazioni utili e ricevere il supporto di un consulente Eures a cui è possibile scrivere per consigli riguardo un tirocinio all'estero nel proprio ambito di formazione.

3. Contatti diretti

- Utilizzare i contatti personali, se si è usufruito di una borsa Erasmus per studio.
- Chiedere informazioni eventualmente ai propri docenti nel caso potessero fornirvi un contatto più adeguato e darvi un aiuto nella ricerca dell'ente ospitante.

4. Camere di commercio

E' possibile cercare imprese ed elaborare elenchi contattando le camere di commercio italiane in altri paesi. Es.

<http://www.italianchamber.nl/> (Olanda)

<http://www.italchamind.eu> (Gran Bretagna)

<http://www.itkam.org/IT/> (Germania)

etc.

5. Siti web

- www.globalplacement.com: si tratta di un'agenzia di mediazione on-line che offre un servizio completamente gratuito.
- Siti web che offrono lavoro estivo, ma che possono tornare utili per contattare le imprese e proporsi come tirocinanti: <http://jobs.estudiant.be/Default.asp>
